I want an annulment because of the following reasons: *(Check ALL that apply)*

It has been less than 91 days since I learned that:

- My spouse did not have the legal capacity to agree to the marriage (the ability to understand at the time of the wedding that we were getting married and the legal effect of the wedding) because of mental incapacity, alcohol, drugs or other incapacitating substances.
- I got married to my spouse as a result of a fraudulent act or misrepresentation by my spouse **AND** such fraudulent act or misrepresentation goes to the essence of the marriage. (For example, my spouse promised me that he/she was single and after we got married, I learned my spouse never got divorced from his/her previous spouse. - I got married to my spouse because my spouse or another person exercised duress over me **OR** another person exercised duress over my spouse. (For example, I was forced to get married to my spouse because my life was threatened if I did not marry my spouse.)
- We got married because of a jest or a dare.

AND/OR

It has been exactly one year (365 days) or less since:

- I learned that the marriage could not be consummated because of the physical inability to have sexual intercourse and at the time we got married I did not know of the physical inability.
- We have gotten married and/or my spouse was underage and we did not have the consent of his/her parents or guardian or of the Court to enter into the marriage.
